

Arlo Pro 5S 2K

2K Wire-Free Security - VMC4060P

Cutting-Edge Clarity. Powerful Protection.

Leave your worries at the door with cutting-edge clarity and powerful protection with the Arlo Pro 5S 2K. Installation is easier than ever with a wire-free setup and smart Wi-Fi with dual-band connection. 2K HDR video, 12x zoom, and a wide 160 degree field of view helps to see the bigger picture. The Pro 5S 2K is also built to work with the Arlo Home Security system, providing enhanced battery life, a more robust connection with Arlo SecureLink, and image verification when power or Wi-Fi is down for total protection.¹

2K & HDR

Arlo Pro 5S offers 2K resolution with HDR. See a crystal-clear picture in every detail through the new high performance lenses. Zoom in on images without losing clarity.

Color Night Vision & Integrated Spotlight

See what's lurking with color night vision allowing you to see video in color rather than traditional black and white. The integrated spotlight lights up the night or helps to ward off unwanted visitors.

See the Bigger Picture

Wider, 160 degree view with auto image correction, reducing the fisheye effect.

¹ Battery enhancements, image verification, and enhanced connectivity capable when combined Arlo Smart Home Security system, Cellular Battery Backup, and select Arlo Secure plan including Professional Monitoring (sold separately).
