

Arlo Wired Floodlight Camera

Brighten Up Your Security

Protect your home with powerful 2000 lumens of light and view 2K HDR live or recorded clips* from your phone. Capture clear video in low light with Colour Night Vision, see more with a wide 160° Field of View, and trigger the Integrated Siren manually or automatically from the app. Easy, hardwired DIY installation gives you continuous power, protection, and zero charging. An Arlo Secure plan trial is included. After trial, a paid plan is required to keep premium features like 30-day video cloud storage, People, Package, Vehicle Detection, and more.

2K

Sharper Details with 2K HDR

See more with higher resolution than 1080p HD cameras and better contrast with HDR.

2000 Lumen Floodlight

Never be left in the dark and illuminate your property to improve safety and visibility.

Colour Night Vision

Capture important details like car colour in low light.

Foresight*

Capture video prior to every motion-triggered video recording.

Field of View

See the bigger picture and keep an eye on more of what matters a 160° Field of View.

2-Way Audio and Siren

Hear and speak to visitors with Noise-Canceling Audio or ward off intruders with the Integrated Siren.

Weather Resistant

Designed to withstand heat, cold, rain, or sun.

Phone Notifications

Get alerts on your phone and watch live or recorded video* when your camera detects motion or sound.
